

Parul University, Vadodara

Expression of Interest (EOI)

Invitation for Agencies Providing Psychometric Testing Services

Overview

Parul University, Vadodara - one of India's leading multidisciplinary universities - invites Expressions of Interest (EOI) from qualified and experienced agencies for conducting psychometric assessments for approximately 20,000 students and staff across its campuses.

This initiative is part of the university's ongoing commitment to support academic counseling, professional development, and wellness. The psychometric testing will evaluate a wide range of psychological attributes, cognitive abilities, personality traits, and behavioral indicators.

Scope of Work

- Design and deliver psychometric assessments in both online and/or offline formats, as required.
- Complete testing and assessment for 20,000 individuals within a maximum period of two months from the project start date.
- Provide comprehensive data analysis and reporting based on attribute filters and parameters shared by the University.
- Identify and flag individuals based on predefined psychological or behavioral criteria.
- Counselling of various candidates based on the inference of the received results.

Eligibility Criteria

- Proven experience in executing large-scale psychometric assessments, preferably in educational institutions.
- Access to validated and reliable psychometric tools and frameworks.
- Sufficient technical infrastructure and logistical capacity to deliver within the defined timeframe.
