### VISIT TO R.P.PATEL INSTITUTE OF HOMOEOPATHY

On 02<sup>nd</sup> January 2018, an educational tour was conducted for the students of IV year BHMS and MD Part 1 students to the museum in R.P Patel institute of homoeopathy for research & education in homeopathy. We reached the institute at around 11:30 am accompanied by Dr. Radhika ma'am, number of students is 24 students MD Part-1 along with 4<sup>th</sup> BHMS students.

The institute is a three storey building which synchronises Dr. Hahnemann's birthplace at Meissen. Hahnemann's statue stands in the front garden, bust in the waiting hall & a portrait in the entrance wall reflects the love and affection towards Dr. Hahnemann.

We were guided by Mr. Jawahar Patel sir, son of Dr. R.P Patel. He asked us to split up into groups of 10 members each & observe the museum. In the museum there are posters, illustrations, short biography & places where Dr. Hahnemann dwelled & practiced. Many photographs & material used by him are displayed. The snapshots showing the monument, stamps paying tribute to Dr. Hahnemann also mounted on wall. There are works of Dr. Kent and his contributions & also medicines and how to prepare them. Mr. Jawahar Patel sir was present with us throughout our venture to guide & clear our doubts.

The informative tour ended at around 3 pm & we set back to our college with our mind filled with inspiration and an urge to do something in the field of homoeopathy.

We express our heartfelt gratitude to Dr. Poorav Desai sir our principal for organizing the educational tour and we look forward for attending many such tours.
