Message From the Dean

Dr. Poorav Desai

Dean, Faculty of Homoeopathy
Principal, Jawaharlal Nehru Homoeopathic Medical College,
Parul University

Homoeopathy is an emerging branch of treatment in India. The homoeopathic colleges of Parul University work with the integrating approach to achieve excellence at par. All the Institutes are having highly qualified teachers, with fully ventilated classrooms with LCD mountings. All the colleges have their full-fledged functioning Laboratories and departments as per the CCH norms.

Clinical teaching is the vital part of all the medical colleges. Each colleges of our university are having full flagged Homoeopathic Hospital as per the CCH Norms, with all basic amenities like, Radiology, Pathology and all specialty OPDs. We have the MOU with multi-specialty Hospital to provide all modern medical techniques and aids to our students. We cater the health needs of the society by organizing regular Homoeopathic Camps, running mobile dispensaries at surrounding villages and also participate in National programmes like Pulse polio, Universal immunization, and Family welfare activities.

We provides excellent opportunities and learning environment to cherish good qualities that makes easier for the students to acquire good skills, abilities and attitudes to excel in diverse area of the personal and professional progress. In a short span of time, we have grown impressively in both size and reputation and become the preferred choice for many among all other self-financing institutes.

I heartily welcome you all to one of the Premium University of India,

About the Institution

Homoeopathy is a system of medicine invented by Dr. Samuel Hahnemann (Germany) in 1796. It is based on the doctrine of “Similia similibus curentur” which means “Like cures like” Homoeopathy is an emerging branch of medicine in India and millions of patients are choosing homoeopathic medicines as preferred choice of medication. In India numbers of institutes are providing quality education in homoeopathy including bachelor’s degree, post graduate degree & even doctorates in homoeopathy. In Gujarat state at present more than 30 colleges are catering to homoeopathic education. Amongst all these colleges Jawaharlal Nehru Homoeopathic Medical College is one of the top three colleges in Vadodara district and has become the preferred choice of students all over Gujarat state. The College was established in 2002 and is recognized by Central Council of Homoeopathy, New Delhi it is the constituent college of Parul University since Academic Year 2015-16. The college feels overwhelmed to announce that their hospital is now accredited by “National Accreditation board for Hospitals (NABH)” in the academic year 2018-19. The College offers UG Programme in Homoeopathy (Direct BHMS Course) with intake of 100 seats and PG programmes i.e. M.D (Hom.) in 4 disciplines, namely 1) Homoeopathic Materia Medica, 2) Organon of Medicine, 3) Repertory and 4) Practice of Medicine with the intake capacity of 6 seats in each discipline.

The college is having fully functional 50 bedded Homoeopathic Hospital with all basic amenities like, Radiology, Pathology and all specialty OPDs. The College is having MOU with Parul Sevashram Hospital, which is within the Campus. The Parul Sevashram Hospital is fully functioning 450 bedded hospital with all modern amenities like, ICU, 24 Hours Casualty, Major and Minor Surgical OTs, Labor Rooms, Dialysis Unit, CT Scan Facilities etc. We cater to the health needs of the society by organizing regular homoeopathic camps at remote places and with transport of mobile dispensary everyday in the surrounding villages. The hospital also participates in national health programmes like pulse polio, universal immunization, and family welfare activities.

the college also conducts various, sports, adventure, cultural and social- service activities for the enhancement of student’s knowledge. Jawaharlal Nehru Homoeopathic Medical College is the proud organiser of 5 National level homoeopathic Seminars and is the pioneer organiser of HOMOE OFEST. The HOMOE OFEST is a unique programme in which students and faculties from all the homoeopathic colleges of Gujarat state unite under one roof to celebrate and acknowledge creativity and knowledge of homoeopaths at ‘State of the Art’ Parul University Campus.

About the Institution

The College is having properly ventilated departments, classrooms, laboratories with all essential amenities as recommended by the Central Council of Homoeopathy New Delhi with modern amenities like ICT tools: Computers with wifi enabled departments & classrooms, audio visual aids like speakers & projectors, well equipped laboratories etc to name a few.

SPEAKER: Dr. Yogesh Sehgal
Topic: Perfect understanding and applicability of mind rubrics in acute as well as chronic diseases and role of 3c potency in cure.

It was in 1976, Dr. M. L. Sehgal (Homeopathy from Delhi) wanted to utilize Mind rubrics from Kant respiratory. After his brilliant work on understanding and applicability of mind rubric the value of mind rubrics became popular and now after 43 years many homeopaths all over the world have started to practice 100% or partially on mind rubrics only.

It was Dr. Sehgal's wish that his idea should be spread by his Shalaya followers as he developed the idea of using the mind rubrics. His idea is popularly known as Sehgal method in Homeopathy. In the year 1983 he laid the foundation of Dr. Sehgal's School of Research based Homeopathy.

There is a total Homeopathy who joined BSRM, and are helping to spread his work all over the world.

Dr. Yogesh Sehgal has been associated with Dr. M. L. Sehgal from the year 1987, since then he has helped in organizing many seminars, later he started delivering lectures in India and abroad and authored many books and developed Sehgal expert system with the help of his elder brother (Dr. Sanjay Sehgal) and family members (Dr. Praveen Sehgal, Dr. Sridhar Sehgal, Dr. Shruat Sehgal and Dr. Nandini Sehgal) and many followers.
