### JAWAHARLAL NEHRU HOMOEOPATHIC MEDICAL COLLEGE

#### REPORT-Civil Defence Training Workshop

**DATE & TIME:** 06, 07, 08 March 2018

**TIME:** 1.30 PM to 5.00 PM

**VENUE:** Lecture Hall No. 103

**Attendees:** All the staff members of the Jawaharlal Nehru Homoeopathic Medical college and Medical, Paramedical staff of Jawaharlal Nehru Homoeopathic Medical college Hospital.

On 06, 07 & 08<sup>th</sup> march 2018 Jawaharlal Nehru Homoeopathic Medical College in association with Jawaharlal Nehru Homoeopathic Medical hospital has organised a three day training workshop on civil defence. The officials from Civil defence Unit, Vadodara have visited the college for guiding the medical & paramedical staff of the college.

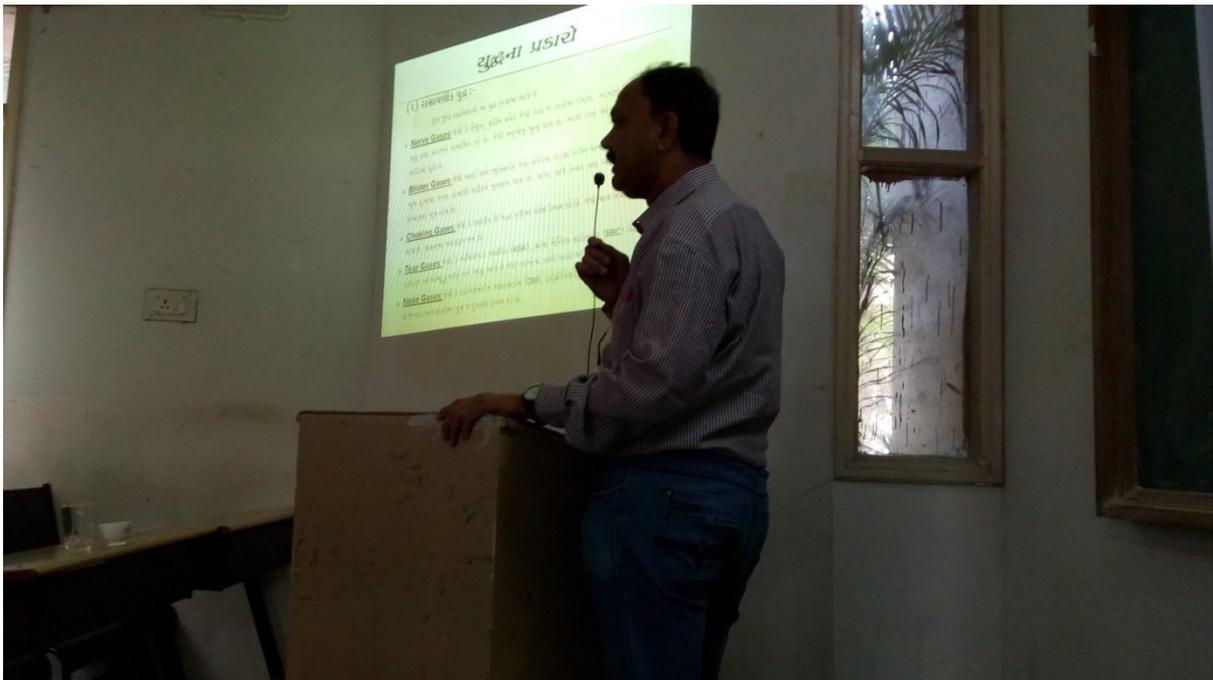

## Day 1:

The workshop was inaugurated with lamp lightening by the auspicious hands of Police Inspector Shri. S. R. Joshi. It was followed by a welcome speech by Dean - Faculty of Homoeopathy Dr. Poorav Desai.

On this occasion P. I. Shri. Joshi Delivered an Opening Address & then handed over the mike to Dr. Sachin Bhagat (Instructor at Civil Defence Unit) in his session he narrated the "History of Development of Civil Defence." He has discussed this in every detail & left no stone unturned. Basically Civil Defence Unit started because of Second World War with an aim & objective of rescuing the peoples & serving for the casualties. He has mentioned various objectives of Civil Defence as well various services provided by Civil Defence unit.

It was then followed by an introductory lecture on the topic "Different types of Wars & Types of Bombs." By Shri. Shailesh Bhai Jaiswal (Staff Officer, Civil Defence Unit Vadodara) He has explained Unexploded Bombs (UXB) in detail.

**By the end of the session the Chief guest Shri. S. R. Joshi & the speakers of the day were felicitated with token of love.**

## Day 2:

For the second day of three days training workshop we had Shri. Shaileshbhai Budheliya (Deputy Divisional Warden, Civil Defence Vadodara) & Dr. Sachin Bhagat, as the speakers the day. The day began with an introductory lecture on the topic "Emergency Siren System" by Shailesh Bhai Budheliya.

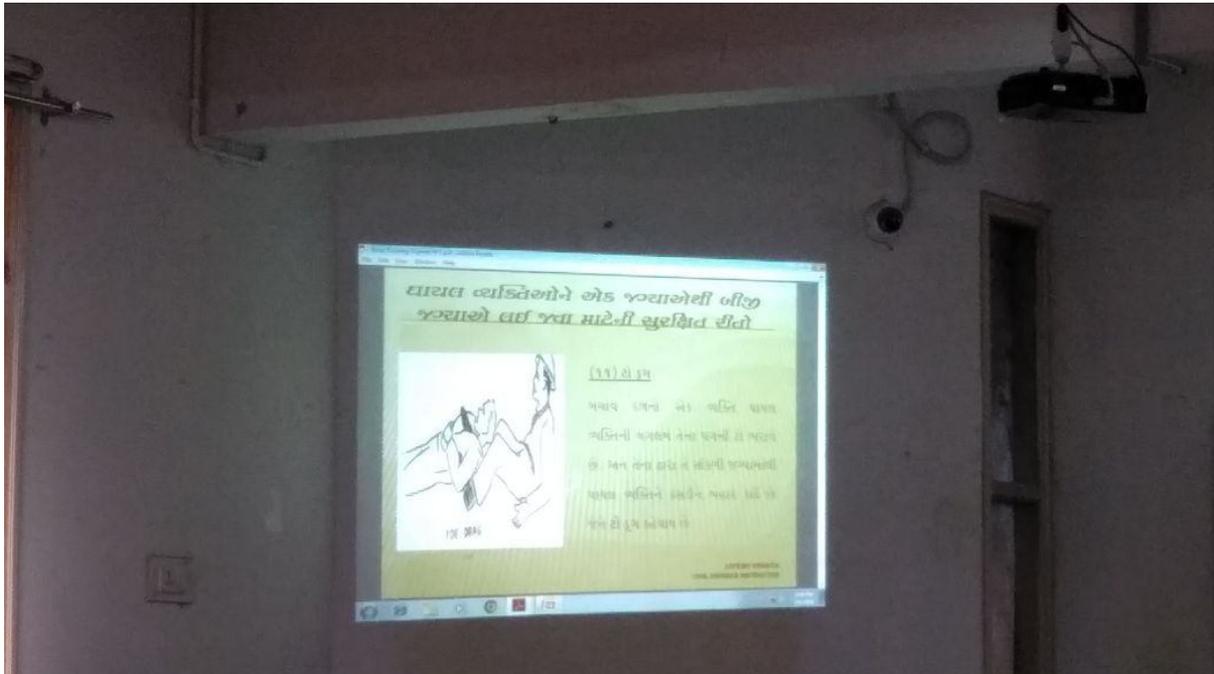

His session was followed by an elaborative session on topic "Fire Safety" By Dr. Sachin Bhagat. In his lecture he discussed about Causes of Fire, Categories of Fire, Essentials of fire, Consequences of fire, Phases of Burning, Principles of Fire Extinction, Modes of Spread of Fire, Byproducts of fire & Their Effects & What to do & what not to do in case a of fire. He has also demonstrated the use of Fire Extinguisher machine in a case of fire.

### Day 3:

On the third day of this training work shop we had Shri. Raturaj Patel (Instructor, Civil Defence Unit) & Shri. Shailesh Budheliya as speakers, By the end of the day all the attendees had to appear for an examination on civil defence.

The day began with an introductory lecture on topic "Disaster Management" By Shri. Raturaj Patel.

It was followed by another introductory session on topic "Mass Casualty Management" By Shri. Raturaj Patel. It was then followed by a live demonstration on different methods of rescuing the casualties from the site by Shri. Shaileshbhai Budheliya with Raturaj.

By the end of the session all the attendees appeared for a fifty marks written test where all of them had performed exceptionally well. By the end of the day the speakers of the day were felicitated by Dr. Poorav Desai & Dr. Hitendra Patel (Superintendent Jawaharlal Nehru Homoeopathic Hospital) gave vote of thanks.

**PARUL UNIVERSITY**  
**JAWAHARLAL NEHRU HOMOEOPATHIC MEDICAL COLLEGE**

**Report- Sensitisation programme for Research & Synopsis writing**

**DATE:** 02 January 2019

**TIME: -** 02 pm to 4 pm

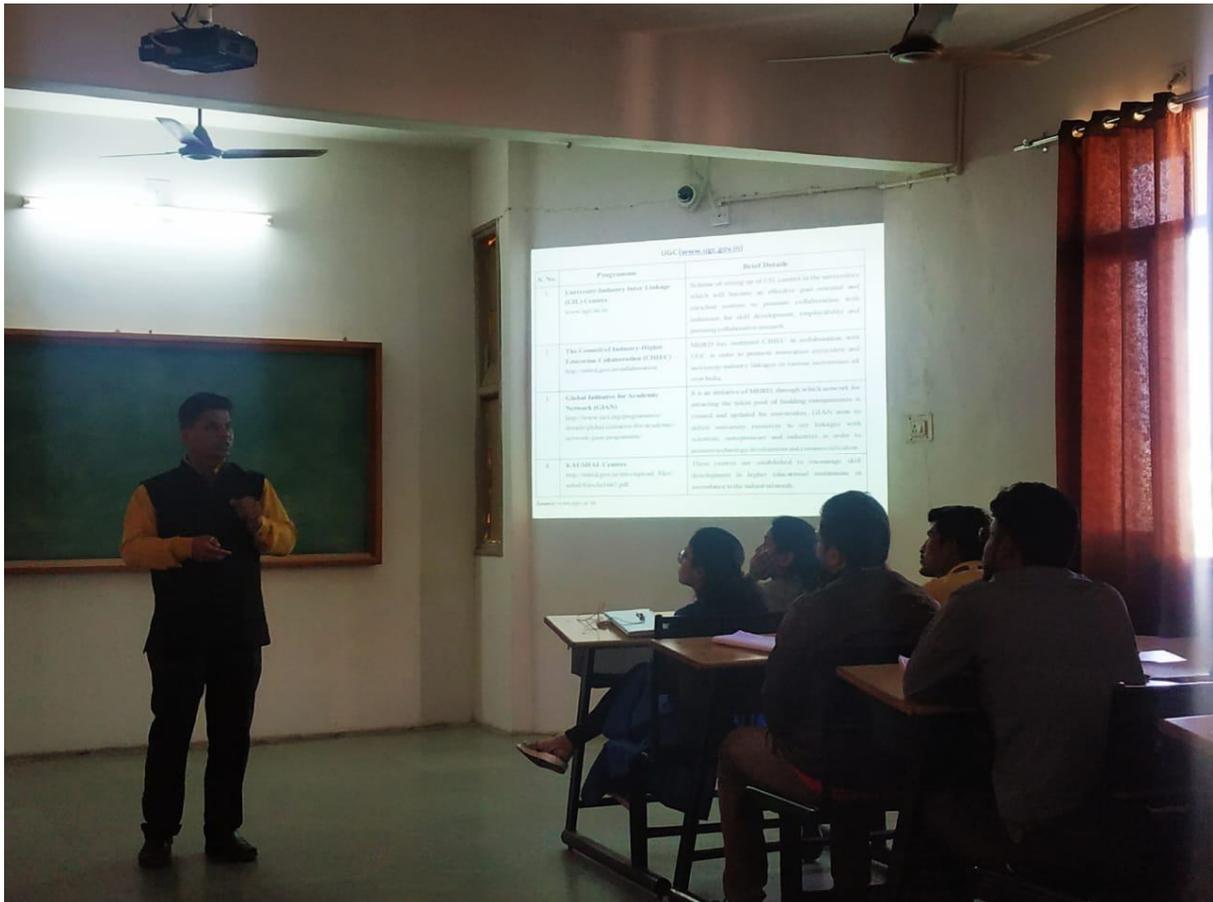

**PLACE:** PG Seminar Hall

**Jawaharlal Nehru Homoeopathic Medical College**

**NUMBER OF FACULTIES: 03**

**NUMBER OF STUDENTS: 14**

On 02<sup>nd</sup> day of calendar year 2019; Post Graduation department of Jawaharlal Nehru Homoeopathic Medical College has arranged a “Sensitization program on Research and Synopsis writing” for post graduating students. The motive for arranging this programme was promoting conduction of research based activities in PG Students and PG teachers.

The speaker for the Programme was Dr Vijay Upadhye(Ph D.) He is Associate Professor at Parul institute of Applied science, Parul University.

He was introduced to students by the PG Co ordinator Dr. Rakesh Gohel & was felicitated by the Principal of the college Dr. Poorav Desai. About 14 PG students & 3 PG faculties took the advantage of this seminar.

This was very informative seminar and has guided the students for research. Dr Vijay Upadhye motivated the student for homoeopathic research and described the scope of research in homoeopathic field.

**From PG faculty Dr. Rakesh Gohel, Dr. Sheela Dandge & Dr. Himanshi Purohit remained present for this seminar.**
