Objective

- To provide a clear and practical understanding of Homoeopathic Materia Medica to undergraduate students.
- To simplify the concept of drug study by correlating symptoms with clinical practice.
- To emphasize the importance of individualization in remedy selection.
- To enhance students’ interest and confidence in learning Materia Medica.
- To bridge the gap between theoretical knowledge and bedside application of remedies.
- To guide students on effective methods of studying and memorizing Materia Medica

Details about the activity:

A Plain Talk (Expert Lecture) on *Homoeopathic Materia Medica* was organized for 4th year BHMS students on dated 17/12/2025 at J.K.Patel seminar hall PIHR with the objective of strengthening their conceptual clarity and clinical orientation. The session was conducted by an experienced expert Dr. P.T.Patel sir in Homoeopathic Materia Medica, who presented the subject in a simplified and student-friendly manner.

The lecture began with an overview of the role and scope of Homoeopathic Materia Medica in clinical practice. The expert explained how Materia Medica forms the backbone of homoeopathic treatment and highlighted the necessity of understanding remedies beyond mere memorization. Emphasis was laid on the importance of studying remedies through their constitution, mental generals, physical generals, characteristic symptoms, and modalities.

Practical guidance was provided on effective study techniques such as comparative study of remedies, use of clinical examples, and correlation of symptoms with day-to-day patient scenarios. Common difficulties faced by students in learning Materia Medica were addressed, and useful tips were shared to overcome confusion and fear related to the subject.

The session was interactive, encouraging active participation from students. Doubts were clarified, and real-life clinical experiences shared by the expert helped students understand the practical relevance of Materia Medica. The lecture concluded with motivational advice on developing observation skills and clinical thinking.

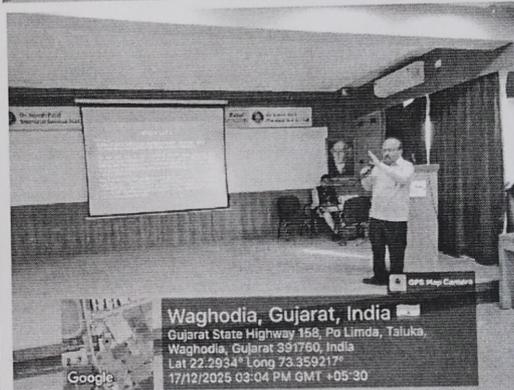

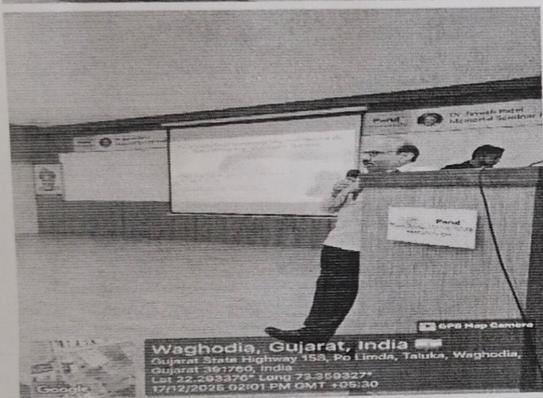

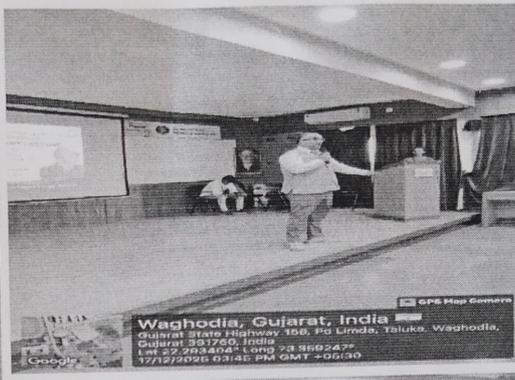

Outcome/Feedback:

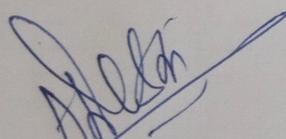

- Students gained better insight into the process of individualization and the importance of characteristic symptoms in remedy selection.

PARUL INSTITUTE OF HOMOEOPATHY AND RESEARCH DEPARTMENT OF HOMOEOPATHIC MATERIA MEDICA

- Students reported improved clarity in understanding the fundamental concepts of Materia Medica and its clinical relevance.
- Students expressed increased confidence in correlating theoretical knowledge with clinical case scenarios.
