Visit on 18th August

This visit is a crucial component of academic curriculum, aimed at providing practical insights into the field of medicine and offering a firsthand experience of the healthcare environment.

Visit on 19th August

At first we are all welcomed by Dr. Shruti Rathod. Then, we all students gathered at auditorium where Dr. Shruti shared all the knowledge and information about Synergy super speciality hospital and its facilities.

She explained us all the scope of that Hospital and some few limitations also.

getting all knowledge about hospital by Dr. Shruti we went to visit different departments of Hospital. Dr. Shruti was with us all along making us understand every aspect of different departments.

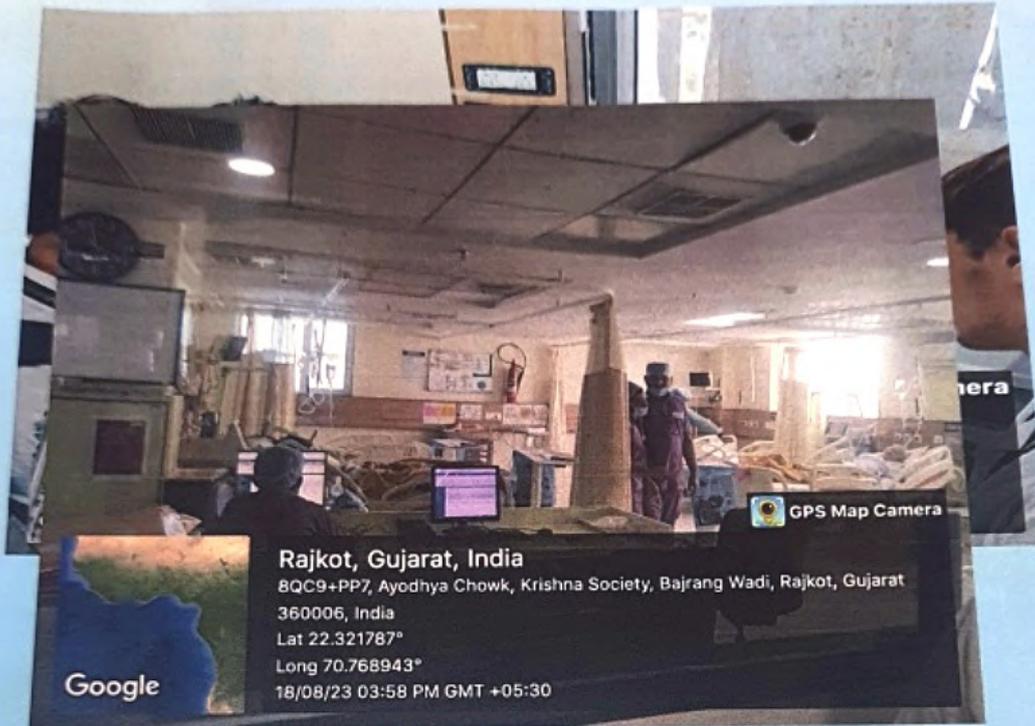

We saw every department, various medicines, types of medical wards. We also understood rules and regulations about certain medical procedures, rights of patient and duties of doctors.

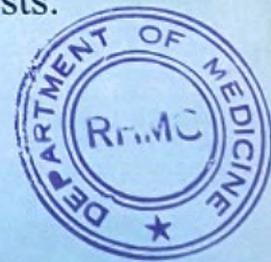

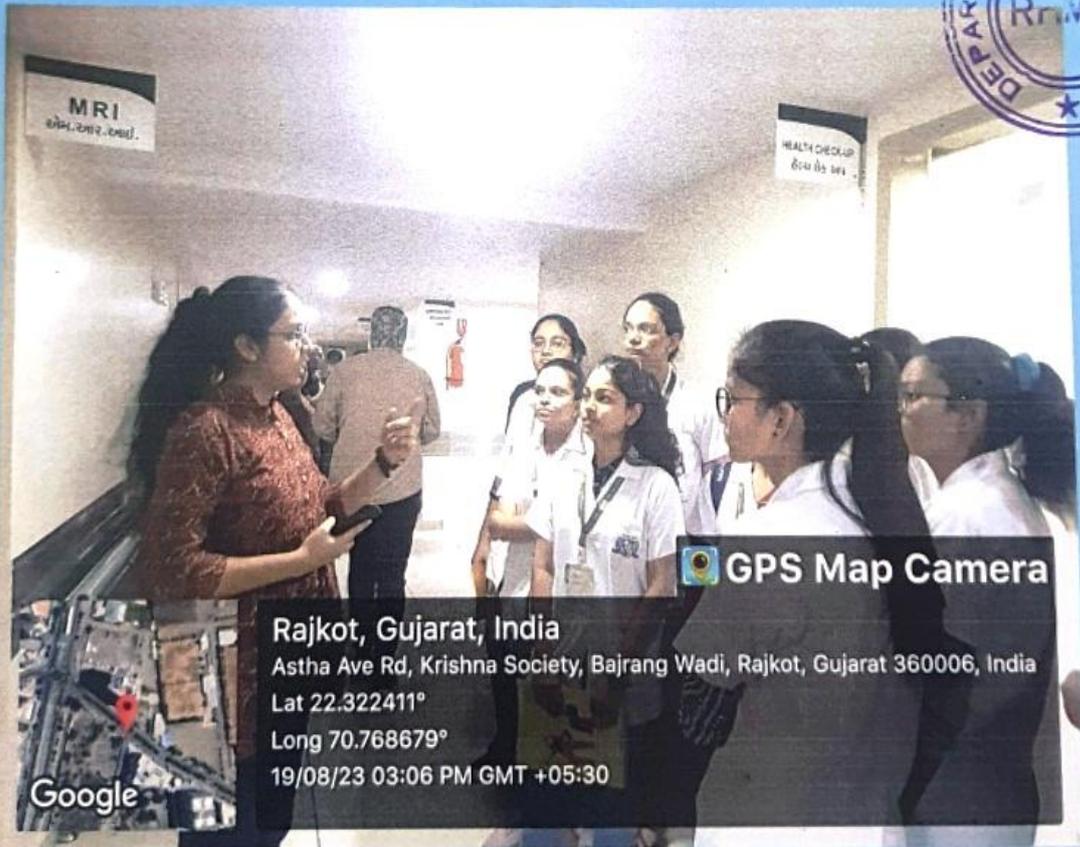

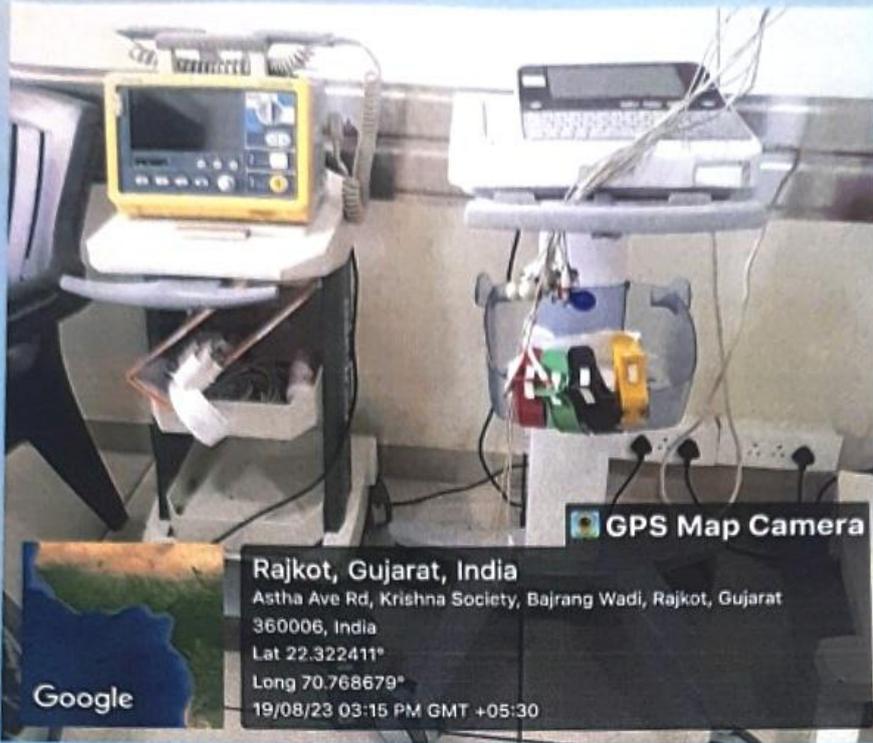

We also visited some laboratories and saw different machines and instruments that are useful in tests.

We also visited some laboratories and saw different machines and instruments that are useful in tests.

As being Medical students this visit was very important and useful for our studies and career also.

We learned many useful things about Hospital, medicine, medical procedures, machines, different tests, rules and regulations and most important duties as a doctor.

We are grateful for this very informative and wonderful visit, we surely hope it will be helpful for our career and future as a medical professional.
