Subject: Request for Educational Visit Permission for 2nd BHMS Students

Respected Sir/Madam,

As per the curriculum prescribed by the National Commission for Homoeopathy (NCH) for the 2nd BHMS students, an educational visit to a Police Station is mandated under the subject of Forensic Medicine and Toxicology, with the aim to provide students practical exposure to medico-legal processes and procedures. In this regard, we kindly seek your permission to arrange a visit to your police station for a batch of 99 students of 2nd BHMS along with faculty members. The visit will be purely academic and will help the students understand real-life handling of medico-legal cases, FIR registration, inquest procedures, and other relevant activities.

We request you to kindly grant us permission and suggest a suitable date and time for the same. We assure you that all students will maintain discipline and follow all protocols as instructed.

We look forward to your kind cooperation and support.

Thanking you.

Yours sincerely,
