Online Education

1. Does all programs/courses were completed on time.	Yes		
2. Measures taken to complete the syllabus of courses and programs.	<p>The day management was acquainted about the first case of COVID-19 in Vadodara, Parul University announced work from home from 21/03/2020 till further notice. Thereafter, honorable prime minister Mr. Narendra Modi announced lock down on 23/03/2021.</p> <p>In this challenging situation where the whole country was on shut down state, Parul University was keen towards continuing the passage of quality education to its pupils, immediate decisions on pursuing teaching-learning process online were executed. Though, uploading lecture notes and assignments is a regular practice at the university, directives were given to the faculty members to upload extra study material and explanatory videos video for each topic on the existing Google classrooms on 29/03/2020. The University began extensively training its staff members in regards to the various ways of navigating the digital spheres. Teachers were taught how to make use of various digital learning platforms such as Zoom platform and Google meet and how to enhance their own skills to match up the demand of online teaching, the moment face to face learning ceased.</p> <p>Special online problem-solving sessions were conducted for the final year students for their end semester examination, and online teaching for remaining semesters commenced from 3/04/2020. University purchased an Examination portal named WAC for conducting online exams and conducted many demos and MOCK exams for students before the actual test. Viva-Voce were also conducted by externals through zoom platform. University purchased 500 laptops which were provided to the faculties for smoothly conducting online lecture. Before the commencement of the new academic year E-content for all the subjects and virtual practical were created by the faculty members.</p> <p>The next academic year 2020-21 also commenced with full throttle through online teaching on Google meet with uploading recorded video lectures, assignments, lab manuals, lecture notes and ppts online on google classroom from June 2020. Regular internal evaluations such as mid semester exams are performed. Compliance reports and proper guidelines for faculties were provided in order to evaluate the quality of lectures. Weekly online webinars and PU talks were conducted on varied technical and non-technical topics by all the departments of the institutes of Parul University.</p> <p>With the distance learning initiatives being in place one of the major challenges presented has been in regards to the ways of providing practical training to the students. To solve this challenge the University has been creating digital resources by providing equipment for faculties to record laboratory equipment which is to be used by the students in various workshops and laboratories. In addition to this, the University has also been implementing the virtual labs project by the Ministry of Human Resource Development. This program will contain 190 labs with over 900 web enabled experiments, which allow the students of Parul University to gain the comprehensive learning experience, even away from the classroom.</p>
