

**PARUL UNIVERSITY**  
**R&D CENTER ANIMAL HOUSE**

There are altogether three animal houses available for Research and Development activities in Parul University. These three are located close to the individual Colleges for the convenience of the Researchers. The status of all three animal houses is summarised below.

A fully air-conditioned "Central Animal Facility for Research & Development(R&D)" with all facilities for maintenance, experimentation and laboratory studies has been exclusively developed in a plinth area of 160 sq.m. This animal facility will be utilized for experimental research in accordance with the principles of good laboratory practices and CPCSEA guidelines of the Government of India. Further, it facilitates research and development in partnership with academic institutions, industries and funding agencies for drug discovery-cum-validation and devices of translational medical research. The Centre is also involved in skilled manpower development through education and training in laboratory animal care and experimental techniques.

The R&D 'Research Vision' of Parul University is to evolve the University as an "International Centre of Excellence in Applied Sciences, Pharmacy, Translational Medical Education & Research, Biomedical Engineering, Biotechnology and Nanotechnology".

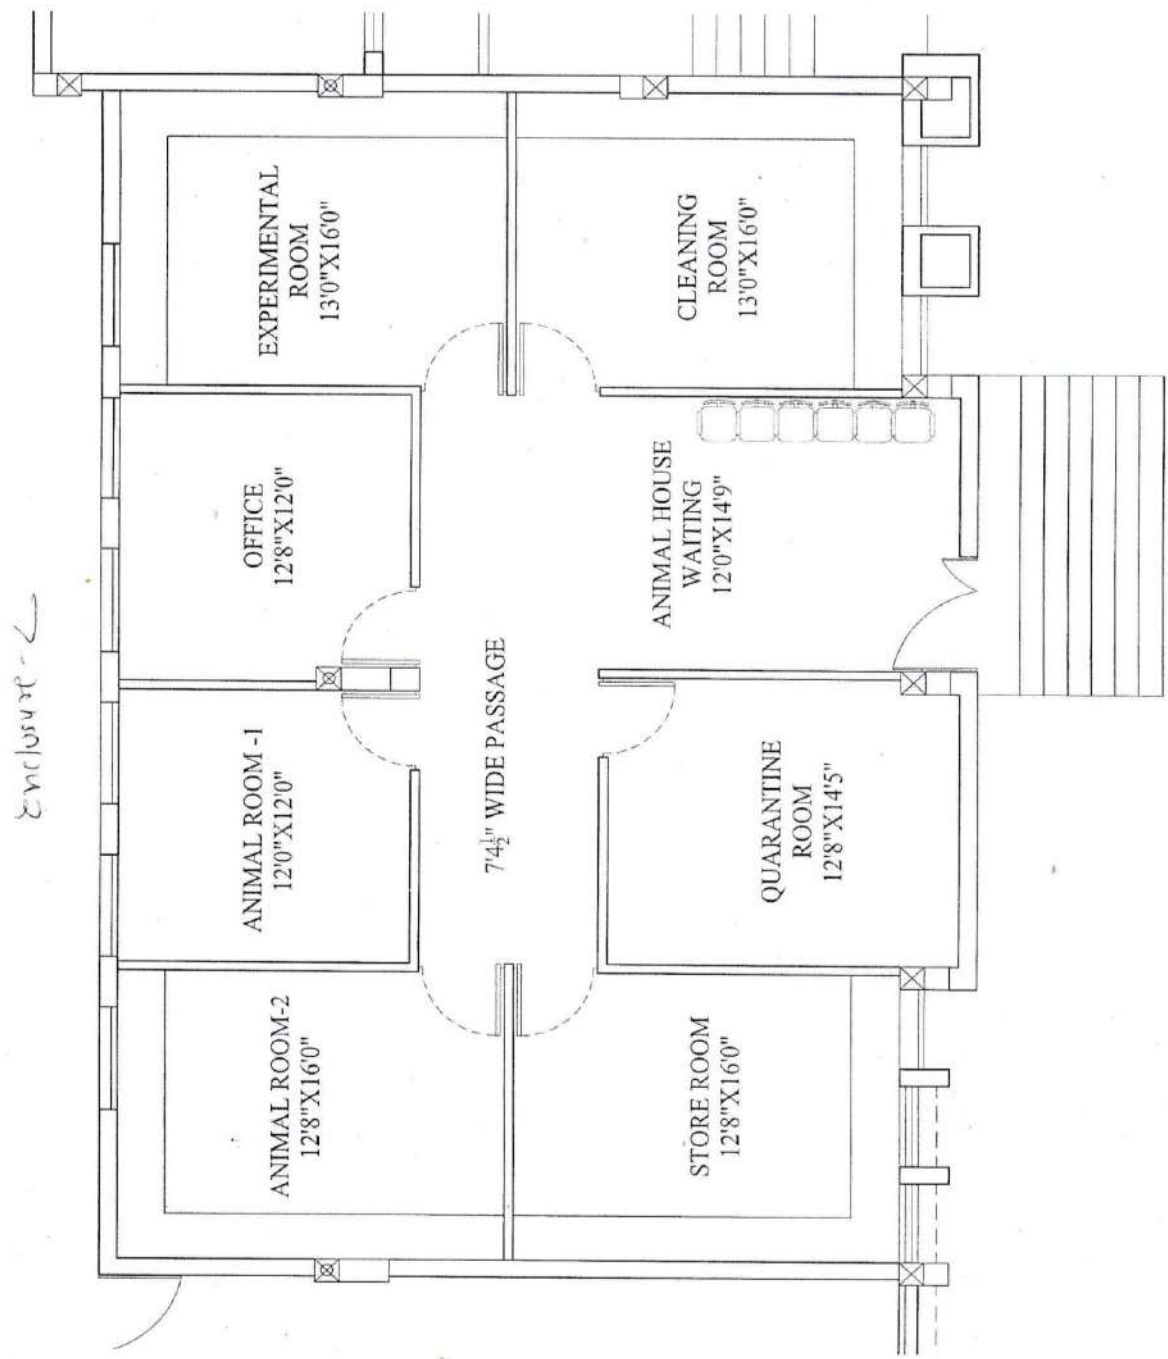

Institutional Animal Ethical Committee (IAEC) of Parul Institute of Pharmacy, Parul University is multidisciplinary and multisectorial in composition and framed as per the CPCSEA, Government of India, standard operating procedure. IAEC oversees the University's animal care and use program and is responsible for reviewing Form-B, Form-C and Form-D ensuring adherence to CPCSEA guidelines / SOPs, inspecting animal facilities and upholding CEFT's commitment.
