

B.Tech

Electronic & Communication Engineering

Choose to Develop the Scope of Communication Through Electronic Channels

“ CHOOSE **MORE** CHOOSE **RIGHT** ”

About Course

Electronic & Communication Engineering is a 4 year B.Tech program which seeks to impart the knowledge and understanding of the fundamentals of communication through electronic channels and mediums. The program exposes students to extensive practical training which allows them to master the essential industry-based instruments.

Why Choose This Course

- Exposure to Top Notch Faculties from NITs and IITs
- Practical Training through State of the Art Laboratories
- 20 Ph.D and Ph.D pursuing faculties for expert training
- Board of Industry Advisors For Curriculum Development

PU Advantage

150+ Acre Campus

2000+ International Students

17000+ Students placed in
1700+ Companies

35000+ Students

75+ Foreign Partnerships

150+ Professors from IITs,
NITs & IISc

2000+ Faculties

100+ National Awards
& Rankings

64 Nationalities
