## Workshop Report

Topic: Good Clinical Practice and Research Methodology

Date: 21st July 2025

Venue: Seminar Hall, PIAS

SDG Goal: SDG-3 – Good Health and Well-being

Organized By: Research Cell and Prominent Event Cell of Jawaharlal Nehru  
Homoeopathic Medical College (JNHMC)

Speaker: Dr. Chetna Lamba, Central Council for Research in Homoeopathy, New Delhi

Inauguration By: Dr. Poorav Desai, Principal, JNHMC

Vote of Thanks: Dr. Zankhana Desai

Coordinators: Dr. Zankhana Desai and Naresh Sonu Bhusara

The graphic is a vertical poster with a yellow background and a dark red footer. At the top left, it features the Parul University logo and the NAAC A++ grade. At the top right, it says 'Faculty of Homoeopathy'. The main title 'RESEARCH Workshop' is in large, bold, dark red letters, with 'SDG-3' below it. The topic 'Good Clinical Practice and Research Methodology' is written in dark red. To the right of the title is an icon of a magnifying glass over a document. Below the topic is a circular portrait of Dr. Chetna Lamba. Underneath the portrait, her name and affiliation are listed. At the bottom left, there are two dark red buttons with icons: one for the date '21 July 2025' and one for the venue 'Seminar Hall, PIAS'. At the very bottom, it says 'Organized By: Jawaharlal Nehru Homoeopathic Medical College'.

### **1. Introduction**

The Workshop on “Good Clinical Practice and Research Methodology” was successfully conducted on 21st July 2025 at the Seminar Hall of Parul Institute of Applied Sciences (PIAS). The workshop was aligned with Sustainable Development Goal (SDG) 3 which promotes Good Health and Well-being through quality education, research, and ethical clinical practices.

### **2. Objective of the Workshop**

The primary objective of the workshop was to:

- Educate students and faculty on Good Clinical Practice (GCP) guidelines.
- Strengthen understanding of research methodology for scientific and evidence-based advancement in Homoeopathy.
- Encourage ethical standards in clinical trials and academic research.

### **3. Resource Person**

The key resource person for the workshop was Dr. Chetna Lamba, a renowned researcher from the Central Council for Research in Homoeopathy (CCRH), New Delhi. Her extensive experience in research methodology, clinical trials, and regulatory guidelines provided valuable insights to the participants.

### **4. Inauguration Ceremony**

The session commenced with an inaugural speech by Dr. Poorav Desai, Principal, JNHMC. He highlighted the importance of incorporating research methodology and GCP in the academic curriculum and clinical practice of Homoeopathy.

### **5. Workshop Highlights**

Dr. Chetna Lamba conducted a detailed and engaging session covering:

- Basics of Good Clinical Practice (GCP) in clinical trials.
- Key elements of Research Methodology including hypothesis, protocol design, ethical clearance, and data interpretation.
- Importance of evidence-based medicine in Homoeopathy.
- Case examples from CCRH research projects.

Interactive discussions, real-life examples, and Q&A sessions made the workshop highly effective and appreciated.

### **6. Participation**

The workshop witnessed enthusiastic participation from faculty members of JNHMC & PIHR. The interactive nature of the session encouraged active learning and dialogue.

### **7. Vote of Thanks**

The session concluded with a vote of thanks by Dr. Zankhna Desai, expressing gratitude towards the speaker, organizers, management, and participants for making the workshop a grand success.

### **8. Conclusion**

The workshop was a significant step toward enhancing awareness and competence in Good Clinical Practice and Research Methodology in Homoeopathy. It empowered the participants with practical knowledge and inspired them to pursue ethical and impactful research aligned with global standards.
