

Activity Report (DAY/WORKSHOP/FDP/STTP/CONFERENCE)

DEPARTMENT	Event Cell		
ACTIVITY TYPE	Institution celebrates/organizes commemorative days, events, festivals		
ACTIVITY TITLE	Homoeofest 2025		
DATE & TIME	28 th – 31 st November 2025	Duration	6 Hours
NO. OF PARTICIPANTS	219		
FACULTY COORDINATOR	Dr. Priyanka Shah		
FACULTY CONTACT DETAILS	9904222742		
SUSTAINABLE DEVELOPMENT GOALS (SDGs)	SGD – 12, 14		
COLLABORATIVE ACTIVITY UNDER MOU	NA		
SPONSORING AUTHORITY	-SBL	Sponsorship amount:	-

Objective:

- Homoeo-Fest 2025 was organized with the objective of promoting academic excellence, scientific temperament, and research orientation among homoeopathic students and professionals. The event aimed to provide a national platform for the exchange of knowledge, integrate traditional homoeopathic philosophy with modern scientific perspectives, and enhance students' communication, analytical, and creative skills while encouraging holistic healthcare practices.

Activity Details:

Day 1 – 28th November 2025

The first day of Homoeo-Fest 2025 focused on academic and research-oriented activities. The event commenced with the inaugural session in the presence of distinguished dignitaries and invited guests. This was followed by Scientific Voices of Homoeopathy, a scientific paper presentation session where undergraduate and postgraduate students, research scholars, and practitioners presented their research work. The sessions encouraged evidence-based discussions, critical analysis, and scholarly interaction, providing participants with exposure to current trends and innovations in homoeopathic research.

Day 2 – 29th November 2025

The second day emphasized creativity, expression, and intellectual engagement. Various competitive events were organized, including *Homoeo Monologue*, a mono-act activity aimed at enhancing expressive and interpretative skills; *Homoeo Brain Buzzer*, a quiz competition designed to test and strengthen theoretical and clinical knowledge; *On the Spot – Homoeo Talks*, an extempore event focusing on spontaneous thinking and effective communication; and *Similia on Screen*, a reel-making competition that encouraged students to creatively present homoeopathic concepts using digital media. These activities promoted teamwork, confidence, and innovative thinking among participants.

Day 3 – 30th November 2025

The third day was dedicated to the *National Seminar on Homoeopathy* with the theme “Teleology of

Homoeopathy – Embodied with Science.” The seminar featured a keynote address by **Dr. Didar Singh**, who shared insights on integrating homoeopathic philosophy with contemporary scientific understanding. The day included scientific sessions, interactive question-and-answer discussions, and academic deliberations, allowing participants to engage directly with experts. The event concluded with a valedictory function, summarizing key learnings and acknowledging the contributions of participants and organizers.

Glimpses of activity:

Outcome:

- Homoeo-Fest 2025 resulted in improved scientific understanding, research skills, and critical thinking among participants. The event enhanced students' communication and creative abilities, strengthened academic collaboration with various homoeopathic institutions, and provided exposure to national-level experts, thereby motivating students towards evidence-informed and holistic healthcare practices.
