

CERTIFICATE PROGRAM IN **ESSENTIALS OF EDUCATION AND ASSESSMENT**

Course Duration:
30 hours

Course Fee:
Rs. 5000 for PU students and
Rs. 10000 for non PU students

INTRODUCTION TO THE COURSE

This certification program sets a benchmark for teaching excellence, ensuring aspirants meet and exceed elevated standards through a comprehensive approach. Designed for inclusivity and accessibility, its multi-modal delivery caters to diverse learner needs while fostering professional competencies in pedagogy, classroom management, and assessment strategies. By integrating targeted mock tests, revision sessions, and performance analytics, the program offers a robust framework for exam readiness. Aligned with national educational objectives, it contributes to the development of quality education by preparing skilled, certified teachers ready to make a meaningful impact in the classroom.

COURSE HIGHLIGHTS

- **Comprehensive Skill Development:** Focused modules on pedagogy, classroom management, and assessment strategies to enhance professional teaching competencies.
- **Inclusive Learning Approach:** Multi-modal delivery ensures flexibility, accessibility, and inclusivity for diverse learner needs.
- **Exam-Ready Framework:** Targeted mock tests, revision sessions, and performance analytics to boost confidence and preparedness.
- **Alignment with NEP 2020 Goals:** Supports educational objectives by preparing a skilled and certified teaching workforce for quality education.

PROGRAM OBJECTIVES AND OUTCOMES

Program Objectives	Program Outcomes
Equip aspiring educators with essential skills in pedagogy, classroom management, and assessment strategies to foster effective teaching practices.	Participants will gain a strong foundation in key teaching competencies, including effective pedagogy, classroom management, and assessment techniques.
Provide structured preparation for the NTET through targeted revision, mock exams, and performance analysis, ensuring readiness for certification.	Participants will demonstrate confidence in their ability to pass the NTET, backed by a comprehensive understanding of teaching concepts and strategies.
Deliver content through a flexible, multi-modal approach to cater to diverse learner needs and ensure broad accessibility.	Upon successful completion, participants will be certified, marking their qualification as competent, skilled educators in line with national standards.
Foster a growth mindset in educators, encouraging continuous improvement and professional development in the field of teaching.	Participants will be prepared to contribute positively to the education sector by providing high-quality teaching and assessment practices aligned with national educational goals.

BROAD TOPICS TO BE COVERED IN THE COURSE

01. Teaching and Training

02. Communication

03. Classroom Management

04. Assessment Methods

05. Educational Technologies

06. Educational Psychology

07. Andragogy in Education

08. Learning and Pedagogies

CAREER OPPORTUNITIES
