About Faculty of Performing Arts

The Faculty of Performing Arts was initiated with the goal and objective of filling up the gap in the artistic education of India and across the world by offering various modules and programs that develop skills in performance-making for live stage and screen-based media. Performing Arts is an integrated faculty that looks at the artistic expressions and the contexts of their Ancestral Wisdom, Parampara along with new innovations and Contemporary Performing Arts evolutions through the 20th and 21st century. The Faculty has been designed in such a way that shapes the creative abilities of students while developing a unique business and entrepreneurship acumen within them. The faculty offers key creative areas, which allows students to develop the essential skills to innovate contemporary and traditional practices in the fields of dance, music, and drama.

A Comprehensive Arts Exposure
