PARUL UNIVERSITY

Parul University is an intellectual and a creative quest for all its stakeholders viz. Indian and International Students, Parents, Alumni, Faculties, Industry & Academic partners as well as society at large. We believe in proliferating our efforts towards quality education and environment. Every year we advance our targets to make headway to our scholarly endeavors.

Our University brings to everyone the best of all worlds. Be it its ethics, global exposure, contemporary educational practices, innovation and growth, PU outshines in all of these. We aim to make successful academic pursuits through entrepreneurship, research, modernization and partnerships with educationally inclined organizations, thus enhancing our position as the finest education destination.

We have been pioneers in accepting various interdisciplinary programs and have included them to our ideal and promising higher education curriculum. Starting with this decade it's our collective effort to empower more youth towards the pursuit to continuously learn, enhance skills, generate better employment opportunities and become competent entrepreneurs. For this very purpose, we are initiating a plurality of short term courses.

CENTRE FOR DISTANCE AND ONLINE EDUCATION

The Centre for Distance and Online Education (CDOE) at Parul University is a dedicated academic division committed to offering quality education through flexible and accessible online learning formats. Rooted in the University's ethos of academic excellence and innovation, the CDOE is designed to support learners who aspire to upgrade their skills without compromising on their professional or personal responsibilities. The Centre offers a carefully curated set of Online Diploma and PG Diploma programs that address emerging industry needs and equip learners with practical, job-oriented knowledge.

Offered under the umbrella of Parul University—accredited with NAAC A++ and recognized by UGC—these programs reflect the institution's commitment to making impactful education accessible to all. The CDOE combines subject expertise with digital pedagogy to deliver a rich, interactive, and learner-focused experience.

DIPLOMA / PG DIPLOMA PROGRAM - LETS YOU EARN TWO CREDENTIALS IN DISTINCT DOMAINS

With the ever increasing knowledge and skills in today's competitive world, Parul University's Diploma / PG Diploma opportunities allow you to pursue two degrees at the same time. Pursuing Diploma / PG Diplomas will provide you with the most competitive advantage, and will give you diverse knowledge in multiple fields and disciplines. Undergraduate and Postgraduate students can undergo two degree programs in distinct fields. All programs offered by Parul University under Diploma / PG Diploma are designed in line with NEP 2020 and guidelines suggested by University Grants Commission (UGC).

Surprising Benefits of Graduating with a Diploma / PG Diploma

- Enhancing Employability and Entrepreneurship Skills
- Increase in Knowledge Base
- Diverse Career Options
- Enhancement of Multi-disciplinary Talent
- Saving of Time and Money

PREAMBLE

Financial Technology (Fintech) represents the integration of finance and technology to innovate, automate, and enhance financial services. The rapid evolution of Digital Payments, Blockchain, Cryptocurrencies, Artificial Intelligence in Finance, Robo-Advisory, Insurtech, and Regulatory Technology has transformed the global financial ecosystem.

This Post Graduate Diploma in Fintech is designed in alignment with global best practices and professional frameworks. The curriculum blends financial concepts with technological applications to prepare learners for roles in Digital Banking, Payments, Blockchain Development, Financial Analytics, RegTech, and Fintech startups.
