and Allied Sciences Courses

#DiscoverYouAtPU

The Parul Healthcare Ecosystem

Building the Foundation of Tomorrow's Healers!

Here, you'll

- Learn within a multidisciplinary healthcare ecosystem that integrates modern science with real-world practice
- Train across diverse medical and paramedical disciplines under one academic roof
- Gain hands-on exposure through advanced infrastructure and accredited teaching hospitals
- Develop as a compassionate professional, blending clinical excellence with community care

1050+

Beds across Medical, Ayurveda,
& Homeopathic Hospitals

120+

Programs across UG, PG,
and Doctoral levels

300+

Labs &
Simulation Centres

Collaborations

Why Choose Medicine & Paramedical Fields at Parul University?

Because we are empowering skilled healthcare professionals with hands-on training, industry-aligned programs, and a commitment to excellence in allied health education

Accredited with NAAC A++, one of India's highest benchmarks of academic excellence, and recognized across national and state frameworks for quality education and research.

Consistently acknowledged by leading rankings for its commitment to sustainability and outcome-driven learning approaches.

Driven by innovation, with academic initiatives aligned to the Ministry of Education, fostering practical, future-ready skills.

Because here, science isn't just studied; it's experienced, challenged, and built for what comes next

Transforming Scientific Curiosity into Impact

- A strong foundation for students driven to explore the “why” and “how” behind life and science
- Interdisciplinary learning that connects science with real-world fields like health, technology, agriculture, and environment
- An ecosystem that shapes analytical thinkers into innovators ready to create meaningful impact

Program Offered

Bachelor of Science (B.Sc.) 3 years Bachelor of Science - Honors (B.Sc. Hons.) 4 years

Biochemistry | Biopharmaceutical Technology | Biotechnology | Chemistry
Environmental Science | Food Technology | Forensic Science | Genetics
Geology | Industrial Chemistry | Mathematics | Microbiology
Nutrition & Dietetics | Physics | Pharmaceutical Chemistry

Master of Science (M.Sc.) 2 years

Applied Mathematics | Bioinformatics | Biochemistry
Bioinformatics & Computational Biology | Biopharmaceutical Technology
Biotechnology | Chemistry | Environmental Science | Food Technology
Forensic Science | Genetics | Geology | Industrial Chemistry
Microbiology | Nutrition and Dietetics | Physics

Industry Embedded Bachelor of Science Honors (IE - B.Sc. Hons.)

4-year Biofarming in Association with Zydex Industries.

Industry Embedded Master of Science (IE-M.Sc.) 2 years Biofarming

in Association with Zydex Industries.

Faculty of Agriculture

Harvest New Opportunities

- Discover plant ecosystems in Botany
Labs designed for in-depth biological study
- Diagnose and prevent crop diseases in
Plant Pathology Labs
- Study climate patterns and farming
resilience in Agricultural Meteorology Labs
- Explore innovation at the Centre for
Agribusiness & Rural Development

Program Offered

Bachelor of Science Courses

- BSc. (Honours) in Agriculture

Master of Science Courses

- Agronomy
- Agricultural Economics
- Agricultural Extension and Communication
- Entomology
- Genetic and Plant Breeding
- Plant Pathology
- Soil Science and Agricultural Chemistry

Ayurveda + Homeopathy

Ayurveda

Nurturing Wellness Through Timeless Practices

- NABH-accredited Ayurvedic hospital offering a clinically grounded, holistic learning environment
- Hands-on exposure to Panchakarma therapies and herbal pharmacology
- A balanced curriculum blending traditional wisdom with scientific rigor

Program Offered

- Bachelor of Ayurved Medicine and Surgery (BAMS)
- Doctor of Ayurved Medicine (MD)
- Master of Surgery Ayurved (MS)

Homeopathy

Treating the Individual, Not Just the Illness

- Trains students in precise, patient-centric homeopathic care with strong diagnostic focus
- Offers a 100-seat BHMS program with PG courses across four specializations
- Builds clinical and academic excellence through a focused, practice-driven environment

Program Offered

- Bachelor of Homeopathic Medicine and Surgery (BHMS)
- Doctor of Homeopathic Medicine (MD)

Medicine

Learning the Science of Saving Lives

- A centre of excellence combining academic strength, clinical rigour, and compassionate care
- Offers an NMC-recognized MBBS program with strong foundational training
- Provides 20+ postgraduate specializations across key medical disciplines
- Prepares future doctors with hands-on clinical exposure, ethical values, and advanced technical expertise

Program Offered

- MBBS (5.5 years) | MD/MS in 20+ specializations

Paramedical & Health Science Programs

- Diploma in Paramedical and Health Sciences
- Bachelor's in Science
- Bachelor in Science (B.Sc. Honours)
- Master of Science
- Master of Science in Clinical Embryology and Reproductive Biology

Paramedical & Health Science Programs

- Bachelor of Science
- Bachelor of Sciences in Public Health (Honours)
- Master of Hospital Administration
- Master of Public Health
- Master of Science in Health Economics and Technology Assessment
- Integrated Bachelor of Science in Public Health
- Master of Hospital Administration
- Integrated Bachelor of Science in Public Health Master of Public Health

Nursing

Caring Beyond Duty, Healing with Purpose

- Skill labs with mannequins and simulation wards
- Global exposure through Erasmus and MoU programs
- Placement tie-ups with hospitals like Apollo, Sterling, and Zydus

Program Offered

- Auxiliary of Nursing Midwifery
- Bachelor of Science (Nursing)
- General Nursing Medicine
- Master of Science (Nursing)
- Post-Basic Bachelor of Science (Nursing)

Pharmacy + Physiotherapy

Pharmacy

Innovating Medicines. Impacting Lives

- Six constituent pharmacy colleges forming a strong, integrated pharma ecosystem
- Comprehensive learning from pharmacognosy to clinical trials
- 360° exposure to drug development, testing, and delivery systems
- Industry-relevant training that prepares students for real-world pharmaceutical careers

Program Offered

Diploma in Pharmacy | Bachelor of Pharmacy

Bachelor of Pharmacy | Master of Pharmacy | Doctor of pharmacy

Doctor of Pharmacy-Postbaccalaureate

Physiotherapy

The Movement Behind Recovery

- Develops holistic physiotherapy professionals grounded in science and empathy
- Strong focus on restoring movement and improving quality of life
- Hands-on clinical training across neuro, ortho, sports, and community rehabilitation
- Practice-driven learning that prepares students for diverse healthcare settings

Program Offered

Bachelor of Physiotherapy | Master of Physiotherapy

From Campus to Career Every Step Forward

Extending Our Care To The World

Pragya

Advanced skills and stimulation center

- Intensive Care Unit
- Triage & Emergency Unit
- Neonatal Unit
- Surgical Unit

PharmaFest: Festival of Formula & Future

HealthFest: Towards achieving sustainable development goals

PhysioFest: Empowering Movement & Elevating Lives

AgriFest: Agriculture Exhibition & Sustainable Farming

HORTUS: Annual flower exhibitions
