Education

Middle & Secondary Stage Specialisation

TWO ACADEMIC STRENGTHS.
ONE POWERFUL FUTURE.

Build expertise in your chosen subject while developing the knowledge and skills to become an effective educator.

Build subject expertise. + Pedagogy + School Experience

WHY CHOOSE ITEP?

Dual-Major Learning
Develop expertise in your chosen discipline and Education.

Understand Every Learner
Explore educational psychology, inclusive education and assessment.

Integrated 4-Year Pathway
Bring subject learning and professional teacher preparation together.

Future-Ready Skills
Build communication, critical thinking, creativity and digital competencies.

Learn by Doing
Connect educational theory with school experience and classroom practice.

GO FROM LEARNING TO LEADING THE CLASSROOM

DISCOVER your discipline and the foundations of education.

DEVELOP subject expertise and pedagogical understanding.

APPLY your learning through teaching practice and school experiences.

INTEGRATE your knowledge and professional competencies.

More Than a Subject Expert. Be a Future-ready Educator.

- Subject Expert
- Learning Facilitator
- Mentor
- Learning Designer
- ICT-Enabled Educator

Don't Choose Between Your **Subject** and **Your Passion** for **Teaching.** **COMBINE BOTH.**
